

## Training session

### Maynooth University, September 7<sup>th</sup> - September 9<sup>th</sup> 2015

*This three day session in Maynooth University is an iterative and participative process to develop our collective methodology and approach to our research.*

*It is important to read the material sent out prior to the Maynooth session*

*We will also try to capture our learning process by documenting the three days using audio and video recordings, a rapporteur and for some sessions a graphic harvester*

*As it is an iterative process and a participative event we need your full engagement so please feed into the processes in during event and after event*

*We hope you enjoy it all!*

#### **Arrivals Sunday evening September 6<sup>th</sup> 2015**

*Check in at campus accommodation before 11pm*

*Gathering point to have a drink at **Roost Bar** Main Street from 9pm*

#### **Monday, September 7<sup>th</sup> 2015**

**Venue: Maynooth University.**
